

Baltic Endurance Championship 5th Round & Kumho Tyre Mini
Endurance Challenge Riga, Bikernieki racetrack 15/10/2017

Bulletin No 4

Corrections in Supplementary Regulations

1. 13.4.5. During the mandatory PIT STOP it is allowed to work on the car as well as to carry refuelling. **While refuelling, mechanics must wear resistant overalls, fire-resistant balaclavas, gloves and safety glasses. Helmets are recommended.**
2. 13.4.6. Using different coolers and blowers during the PIT STOP is ~~forbidden~~ **allowed.**
3. All other paragraphs of the regulations remain unchanged.
