BULLETIN No 1

Based on the require from the registered participants of the championship regarding A3000+ class in two separate divisions: atmospheric and turbo engines, by the organizing committee it is decided to split the class A3000+ in two separate classes:

- A3000+A for atmospheric engines;
- A3000+T for turbo engines;

Both classes to comply with the conditions of the Technical regulations of the class A3000+.
